I have been honored to serve as President of the VPMIA Board for 2006-2007. I must take this time to thank the membership for having confidence in me to continue the work of keeping the VPMIA Association the successful organization that it is today. I always look forward to our working together to make great things happen.

A number of things have taken place this year to keep our Association alert and responsive.

ICC and IAPMO called a National Town Hall Meeting in Denver, Colorado in July 2006 to discuss their proposed joint merger. Many of our association members attended this meeting to inform ICC and IAPMO of our disapproval of this merger with valid reasoning. VPMIA and other Virginia Associations had a significant impact on these hearings and the outcome was positive. ICC determined that it was not in its' best interests to continue the merger process.

Our organization held a number of code change meetings throughout the year to draft upcoming change submissions in preparation for the adoption of the 2006 International Codes. These ICC Code Change Hearings were held in Orlando, FL in September 2006 and were attended not only by representatives from all over the nation but some international agencies as well.

Our membership has only been increasing each year thereby making our organization stronger for the future. We worked together as a team to draft a survey in the question and answer form to determine what we as an association might do to encourage new mem-

bership. We have not received all of our results at this time, but I am sure that the knowledge we gain from the survey will provide us with valuable tools for increasing membership. Membership is strength and with increased membership our association gains knowledge and manpower to continue advancing into the future.

Along with membership our Association is financially sound. Contributions from the Virginia Department of Housing and Community Development as well as other sources are a great assistance to all of our members for scholarship funding. Monies are provided to individuals to attend code change hearings and meetings throughout the country to further our knowledge and accomplishments. Sharing the information gained from these meetings and trips plays a vital role in determining the future direction of VPMIA.

I'd like to take just a moment to express my deep appreciation for the hard work and commitment of all the officers, directors, committee chairs and members who have been instrumental in the operation of the organization during this past year. Without such dedication and hard work we could never have accomplished the success we have enjoyed. I would like to point out that we never have enough volunteers to fill all the empty spots and I would personally like to encourage everyone to step up and be as active as possible — accept nominations, volunteer for a committee and serve as officers and directors. Your knowledge and willingness is the future of the Virginia Plumbing and Mechanical Inspectors Association.

"...and I would personally like to encourage everyone to step up and be as active as possible — accept nominations, volunteer for a committee and serve as officers and directors. "

John Seay
President, VPMIA

**ORIGINAL HISTORY BY PAUL C. KING.
COMPILED FROM THE MINUTES OF THE
VPIA MEETING APRIL 14, 1962**

A small group...

of Virginia plumbing inspectors met in 1959 following a seminar at VPIA in Blacksburg. The group discussed the possibility of forming a statewide association for the purpose of dissemination of information touching on new methods, materials and testing procedures used in the plumbing and heating profession.

Following the three-day seminar the inspectors returned to their respective jobs. Being dedicated to their profession, these men contacted individual members of the Virginia State Master Plumbers Association meeting. Cards were mailed asking the inspectors if they were interested in forming such an association.

The first meeting of the group, which would be called The Virginia Plumbing Inspectors Association, took place April 14, 1962 at the Hotel John Marshall in Richmond. Attending were fourteen plumbing inspectors and three associate members. (These names are published as Charter Members.) The first order of business for the group was to name a temporary chairman, Mr. Mannion, followed by nomination and election of officers.

Officers elected were: President, Charles E. Mannion, Richmond; Vice President, Paul C. King, County of Fairfax; Secretary, John B. Mason, Richmond; Treasurer, James B. Jones, Jr., Martinsville; and Sgt. At Arms, E. R. Carr, Winchester. Board of Directors named included: U.E. Allen, Jr., Portsmouth; Frank B. Bosman, County of Arlington; and Gordon Dameron, Danville.

A committee consisting of inspectors King, Chairman, Carr and Cooper was appointed and instructed to draw up the proposed by-laws for the association. A general discussion

followed covering the aims and purposes of the organization. A date was set for the next meeting and the group adjourned its meeting to join the Master Plumbers Association, which was in session at this time.

By-Laws Adopted

VPIA met November 3, 1962 at 1014 East Broad Street, Richmond. The By-Laws Committee presented its report, which was duly adopted.

Article II of those by-laws set forth the purpose of the organization:

- A. Cooperate in the formulation of Virginia Plumbing Code Standards.
- B. Promote uniform understanding and application of all city, town and county plumbing codes.
- C. Secure and promote uniform administrative ordinances and inspection methods.
- D. Promote closer cooperation between inspectors, inspection departments, health departments, plumbing contractors and the public.
- E. Promote and improve the standards of the profession of plumbing inspectors.
- F. To institute and maintain a central organization to properly test new materials and methods to be used in this Commonwealth.

School of Instruction

The Association embarked on a program when Paul C. King served as proxy which has proven to be well accepted by those men serving in all phases of the plumbing industry. Known as "School of Instruction and Conference," the program owes its success to D. Paul Jack, Hampton. Through his efforts, almost single-handedly, Mr. Jack managed to obtain speakers from Texas, across the south,

and as far west as Wisconsin. The first annual School of Instruction and Conference was held in Hampton on April 17 and 18, 1964 and was a huge success. Each succeeding year has found the meeting generating more interest in the plumbing profession.

Inspectors have found that the annual school and conference has given us the opportunity to carry out some of the aims of VPIA, namely: "the dissemination of new methods and materials" on a state-wide basis. Our speakers are not only considered experts in their fields but they also present facts which help to generate enthusiasm among those association members interested in promoting the plumbing profession.

Executive Secretary

In 1969 the Board of Directors appointed an Executive Secretary with the responsibilities to direct the school for Qualified Plumbing Inspectors and to publish a newsletter for the purpose of keeping inspectors abreast with the workings of the association and other related items of interest that inspectors in Virginia and the southeastern states should be concerned with. Thus far the newsletter has accomplished its purpose and its present circulation includes eighteen states.

We are proud to be members of VPIA. The knowledge we have gained during the past years has made it possible for us to be cognizant that the plumbing profession is indeed one of the leading 'trades' in the building industry.

History Up-Date

In 1986, the Board of Directors instructed the committee on by-laws to up-date and revise the by-laws to

(continued on next page)

(History, continued)

meet and comply with the present day regulations. President John W. Thurston appointed Edward J. Baldwin, Jr., Chairman and D. Paul Jack as part of a two-member committee to study and propose the needed changes.

On April 1988, at the Twenty-Fifth Annual School of Instruction as the yearly conference had now come to be known, after two years of study and consideration by the committee and board of directors, the amended by-laws were approved and adopted by the voting membership of the Virginia Plumbing Inspectors Association.

On July 21, 1990, at the Association's summer meeting, the voting membership of the Virginia Plumbing Inspectors Association voted unanimously to change the name of the

Association to the Virginia Plumbing and Mechanical Inspectors Association. The change was felt necessary because of the number of jurisdictions within the Commonwealth of Virginia having separate mechanical inspection divisions whose inspectors were seeking educational opportunity. It was the feeling of the membership that this Association could provide that opportunity of educational instruction.

In-as-much as there were some other concerns regarding the by-laws, the Committee on By-Laws, consisting of Edward J. Baldwin, Jr., Chairman, Kenneth R. Snyder, Sr. and D. Paul Jack, Vice Chairmen, William F. Hines, Dennis W. McNaughton, Thomas C. Roberts and Paul M. Adams, Executive Secretary, was directed by President Robert M. Broome to study and submit amendments to the by-laws reflecting the name change and other necessary changes needed to include the mechanical personnel. Through the course of the study, an executive board, four regional directors positions and specific duties of the presidential appointed chairpersons were incorporated. The amended by-laws were approved by the committee on September 6, 1990 by the board of directors on October 6, 1990 and by the general membership in December 1, 1990.

After a period of working under the executive board, which consisted of the elected officers and the four regional directors, the board of directors instruct-

ed the Committee on By-Laws to once again review and recommend any needed changes deemed necessary. This resulted in more changes being proposed, the most significant being a change in the fundamental membership and voting rules. The system used since the beginning of the Association was that of jurisdictional membership with a limit of one vote per jurisdiction. The proposed amendments included a change to individual membership with one vote per active member (associate members must remain without a vote in order to protect chapter membership in building officials and code administrations international).

The progress of these amendments, of the proposals and counter proposals, spanned the terms of three presidents and three by-laws committees. The first action of the general membership, which resulted in a change, was made on March 26, 1994 at the conclusion of the Thirty-First Annual School of Instruction. That change eliminated the executive board and dictated meeting schedules. Action was taken on June 25, 1994 which clarified the responsibilities of various officers and both board and presidential appointments. The action which resulted in the current by-laws was taken at the winter meeting on December 3, 1994.

During the course of the by-laws change process, another transition for our Association was under way. In the spirit of promoting closer cooperation between inspectors, inspection departments and plumbing contractors, the membership decided to hold the Twenty-Eighth Annual School of Instruction in Norfolk. The dates were April 11, 12, and 13, 1991 and this coincided with the annual meeting of The Virginia Cross Connection Control Association, The Virginia Association of Plumbing, Heating and Cooling Contractors, and the Richmond Chapter of The American Society of Plumbing Engineers. Although the various associations involved held their own separate educational and business meetings, the trade exposition, where new products and materials could be analyzed and evaluated in a "hands-on" manner, was a central focal point. This cooperation has proven to be a successful format and continues with most of the same

organizations being involved.

The Virginia Plumbing and Mechanical Inspectors Association was founded for the purpose of education and communication. As further evidence of this commitment, the annual summer meeting was expanded, beginning in 1994, to include a day of technical training. With the consolidation of BOCA, ICBO and SBCCI into the International Code Council and subsequent adoption of the International Codes in Virginia, the potential for growth has expanded and we have taken up the challenge. We continue to be a leader in the support of education and code development. In 2002 we received the BOCA Chapter of the Year Award for excelling in educational opportunities, membership and participation in BOCA activities. In 2004, we received the Directors Award from the Virginia Department of Housing and Community Development in recognition of our members' participation in the development and delivery of plumbing and mechanical code educational modules for the Virginia Building Code Academy as well as conducting statewide training in plumbing, mechanical and fuel gas code requirements and service on the Building Code Academy Advisory Committee. In 2005 the Association was honored to accept a Chapter Merit Award from the International Code Council.

Closer ties with our partners in code development and administration both within Virginia and throughout the country have developed. VPMIA, along with the Virginia Building and Code Officials Association and the Virginia Fire Prevention Association came together in October of 2005 for the first ever joint conference. The educational seminar lasted for four days with dual tracks offering a wide variety of training from Legal Aspects of Code Enforcement to Hydrogen Refueling Station installations. We have strengthened our Association by focusing on our responsibilities and purpose. Our foundation now consists of a vision, a mission and a strategic plan to further our goals. Thus we go onward, not knowing what challenges are to be faced tomorrow, but confident

(continued on page 41)

Stephen P. Borders

Building Official
Greene County

VPMIA dedicates this Yearbook to Stephen P. Borders for his dedicated service and commitment to the goals and mission of this organization.

Steve has served selflessly and without hesitation in several positions during the last seven years. He was Time/Place Chairman from 2000 to 2005 and was appointed Secretary in 2001 when the elected Secretary could not fulfill his obligations. He was a School of Instruction committee member from 2001-2005 and in 2003-2004 he served on the Yearbook/Advertising Committee. In 2003 Steve was elected Executive Secretary and still holds that position to this day.

Steve's willingness to hold these positions and his unflinching dedication to our organization speak highly of his character. His professionalism and hard work are examples of the foundation on which successful organizations, such as ours, are built. With sincere appreciation, we dedicate this 2007 Yearbook to Steve Borders.

RESOLUTION

June 7, 2006

WHEREAS; That Norman Crumpton will retire from the Virginia Department of Housing and Development (DHCD) on August 1, 2006,

WHEREAS; That Norman Crumpton started with DHCD on October 1, 1986, retiring after nearly 20 years with DHCD plus another ten years in the field of Building Codes and Code Enforcement, serving as the Building Official for Colonial Heights, Virginia,

WHEREAS; That Norman Crumpton is, at present, the Technical Services Manager supervising three staff engineers as they worked with programs involving the Virginia Uniform State-wide Building Code, Amusement Device Regulations, Industrialized or Modular Buildings and Manufactured homes as well as personally providing technical and administrative assistance to client groups. For most of Norman's career with DHCD he has been involved with providing assistance to code officials, design professionals, contractors, building owners, etc., on all the various codes the Department promulgates. Also, in previous years he served as Secretary to the State Building Code Technical Review Board,

WHEREAS; That Norman Crumpton has also been very active and involved in the code development process, first with BOCA and then with the International Code Council. It was Norman's position, and rightly so, that in order to provide accurate advice on the code requirements, he needed to understand what the changes were supposed to accomplish. He gained that knowledge by sitting through many hours of code change hearings and working with and providing staff support to numerous VBCOA and VPMIA committees and the VADR Technical Advisory Committee, and

WHEREAS; That Norman Crumpton, for many years, served as DHCD's representative on the Virginia Child Day-Care Council as that Council developed the rules and regulations for licensed day-care facilities in Virginia; now, therefore, be it

RESOLVED; That The Virginia Plumbing and Mechanical Inspectors Association (VPMIA), with great acclamation, thanks Norman for his many years of assistance to the VPMIA Membership in code clarification matters especially during new Code Cycles, and

RESOLVED; That VPMIA wishes Norman every success in future endeavors and may he have the following blessing; Good health to make life enjoyable; Good fortune to make it bright; And lots of happiness always; With everything going just right!

Most Sincerely,
John Seay, President

RESOLUTION

June 7, 2007

WHEREAS; That Henry A. "Hank" Rodés, born in New Orleans, Louisiana, passed away on Saturday, April 29, 2006 at his home in Hampton, Virginia at the age of 87,

WHEREAS; That Hank Rodés was an Active Member of The Virginia Plumbing and Mechanical Inspectors Association for about seventeen years, serving as President of that Association in 1980,

WHEREAS; That Hank Rodés was a member of several Fraternal Organizations such as the Masonic Lodge, Oceanview #355; Elks Lodge #666, Hampton; and the Mercury Lions Club, and

WHEREAS; That CWO-4 Henry A. "Hank" Rodés, USN (Retired) served his country as a member of the U.S. Navy for 30 years aboard Destroyers, Cruisers, Troop Carriers, and Tenders in the Atlantic and Pacific Oceans; in addition, he was a survivor of the sinking of USS AARON WARD during World War II; now, therefore, be it

RESOLVED; That The Virginia Plumbing and Mechanical Inspectors Association states with great pride and gratitude that this Association has had the privilege of knowing and working with Henry A. "Hank" Rodés,

RESOLVED; That The Virginia Plumbing and Mechanical Inspectors Association stands in readiness to assist the family of Hank Rodés in any manner desired or requested, and

RESOLVED; That this Resolution will be spread across the minutes of The Virginia Plumbing and Mechanical Inspectors Association as a permanent memorial to Henry A. "Hank" Rodés.

Most Sincerely,
John Seay, President

RESOLUTION

WHEREAS; That Clifford Gerald Thuot, Sr. died on Wednesday September 6, 2006 at his residence in Fairfax, Virginia.

WHEREAS; That Clifford Gerald Thuot, Sr., is the Father of Active Member, Michael D. Thuot, Past President and current Director-at-Large of the Virginia Plumbing and Mechanical Inspectors Association, and

WHEREAS; That Clifford Gerald Thuot, Sr., served his beloved country as a member of the United States Navy, retiring as Captain, now therefore be it,

RESOLVED; That the Officers, Board of Directors, and entire Membership of the Virginia Plumbing and Mechanical Inspectors Association join Michael and his family in the celebration of his Father's life but also offer their most heartfelt sympathy at the loss of this cherished family member,

RESOLVED; That the Virginia Plumbing and Mechanical Inspectors Association stands in readiness to assist the family of Clifford Gerald Thuot, Sr., in any manner desired or requested, and

RESOLVED; That this Resolution be published in the annual Virginia Plumbing and Mechanical Inspectors Association Newsletter as a permanent memorial to the memory of Clifford Gerald Thuot, Sr.

Most Sincerely,
John Seay, President

Dear VPMIA Member,

On behalf of the Virginia Plumbing and Mechanical Inspectors Association, I would like to congratulate your company for being chosen **2006 Large Business of the Year** by the Prince William Regional Chamber of Commerce. Your company has helped to promote VPMIA for many years and for that we are thankful. I believe we have each been dedicated to the highest standards of professionalism, integrity and competence throughout the years. I wish Tom and Anne the best in their retirement and feel sure that Woodbridge Plumbing will continue to exemplify the things our organization promotes. VPMIA stands ready to assist our members in promoting our industry and hope that we continue a close relationship with Woodbridge Plumbing for the health safety, and welfare of citizens who live, work, or visit the Commonwealth.

Sincerely,

Stephen P. Boarders CBO
Executive Secretary

VIRGINIA PLUMBING AND MECHANICAL INSPECTORS ASSOCIATION

ARTICLE I — The Name, Seal, and Address of this Association

- Section 1. The name shall be the Virginia Plumbing and Mechanical Inspectors' Association; herein and hereafter referred to as the Association.
Section 2. The seal shall be as indicated below:
Section 3. The address shall be that of the Executive Secretary or as otherwise designated by the Board of Directors.

ARTICLE II — Objectives

- Section 1. The objectives of the Association are:
A. To participate in the formulation of Virginia Plumbing and Mechanical Code provisions.
B. To promote uniform understanding and application of the Virginia Uniform Statewide Building Code.
C. To promote and secure uniform inspection methods throughout the Commonwealth of Virginia.
D. To promote closer industry unity between code officials, governing agencies and the private sector.
E. To promote and improve the standard of professional plumbing and mechanical inspectors.
F. To provide professional development through an annual education and training seminar which shall be known as the School of Instruction.
G. To encourage growth of the Association by providing enhanced services to its members and by promoting strong leadership values, respect and the pursuit of common goals.

ARTICLE III — Membership

- Section 1. Active membership shall be open to code officials actively engaged in plumbing and/or mechanical code enforcement. Application for membership shall be in writing and submitted to the Executive Secretary.
Section 2. Associate membership shall be open to those persons interested in the design, manufacture, installation or sale of plumbing and/or mechanical systems and who are willing to promote the objectives of the Association. Application for membership shall be in writing, submitted to the Executive Secretary and reviewed by the Board of Directors for approval.
Section 3. Retired membership shall be open to those members submitted written application for retired status to the Executive Secretary.
Section 4. Life membership may be extended only to Active and Associate members who have significantly contributed to promoting the objectives of the Association. Life members may be nominated and approved by the general membership at the

third general membership meeting. Life membership shall be limited to one Active member and one Associate member per calendar year.

- Section 5. Charter members are those who founded the Association.
Section 6. Honorary membership shall be open to those persons who are not members of the Association but have made a significant contribution in promoting the objectives of the Association. Nominations for Honorary membership shall be in writing, submitted to the Executive Secretary by any member and reviewed by the Board of Directors for approval.
Section 7. All members shall conduct themselves in accordance with the Associations Code of Ethics.

ARTICLE IV — Board of Directors

- Section 1. The Association shall be governed by a Board of Directors, herein and hereafter referred to as the Board, which shall consist of the elected officers, District Directors and the Director-at-Large.
Section 2. The Board shall manage the policies, business, property and affairs of the Association.
Section 3. Officers
A. The officers of the Association shall consist of a President, Vice President, Secretary and Treasurer. The officers shall be Active members and shall be elected and installed during the annual School of Instruction.
B. The officers shall hold office from the close of the annual School of Instruction through the close of the annual School of Instruction of the following year. Officers shall serve no more than two consecutive terms in the same office.
Section 4. Directors
A. A total of eight Active members may be elected as District Directors. The Directors shall be Active members and shall be elected and installed during the annual School of Instruction.
B. The Directors shall hold office from the close of the annual School of Instruction through the close of the annual School of Instruction the following year.
C. Each District shall consist of all cities, towns and counties as outlined in Appendix A.
D. The Director-at-Large shall be the immediate Past President.
Section 5. In the event that an Officer or Director resigns, the Board shall appoint, as soon as possible, an Active member to fill the unexpired term.
Section 6. Appointments.
A. An Executive Secretary shall be appointed by the Board for a maximum term of five years or as determined by the Board. Compensation of services rendered shall be as approved by the Board.
B. A Director of Finance shall be appointed by the

Board for a maximum term of five years or as determined by the Board. Compensation of services rendered shall be as approved by the Board.

ARTICLE V — Duties of the Officers, Directors, Executive Secretary and Finance Director

- Section 1. The President
- A. To preside over all meetings.
 - B. To select all committee chairpersons except the finance and the nominating committees.
 - C. The President may appoint members to represent the Association on local, state or national committees, boards and similar entities when such representation is requested or provided for by regulation or statute. Appointments shall not conflict with the Association's by-laws or code of ethics.
 - D. To be an ex-officio member of all committees except the nominating committee.
 - E. To perform such other duties applicable to the office as prescribed by the parliamentary authority adopted by the Association.
- Section 2. The Vice President
- A. To assist the President at all meetings.
 - B. To preside over all meetings in the absence of the President.
 - C. To perform such other duties as applicable to the office as prescribed by the parliamentary authority adopted by the Association.
- Section 3. The Secretary
- A. To assist the presiding officer with the orders of business and to distribute correspondences to all members present.
 - B. Notification of meetings.
 1. To send to all Board members a notice of every Board meeting at least twenty days in advance of such meeting.
 - a. Ten days notice, including an agenda, shall be given for all special meetings.
 2. To send all members a notice of every General Membership meeting at least thirty days in advance of such meeting.
 - C. To accurately record all business transacted at all meetings.
 - D. To maintain and have available at all meetings the official minute book.
 - E. To record the voting at all meetings.
 - F. To send letter ballots to all Board members not present at meetings for which there is no quorum.
 - G. To perform such other duties as applicable to the office as prescribed by the parliamentary authority adopted by the Association.
- Section 4. The Treasurer
- A. To accurately record and post all funds received and disbursed. Shall be bonded for at least fifty thousand dollars. The bond premium shall be paid by the Association.
 - B. To pay all bills that have been approved as per the budget or by the Board.
 - C. To submit a quarterly report of the Association's finances to the Finance Committee.

- D. To submit a report of the Association's finances at all meetings, except special meetings unless included in the special meeting agenda.
- E. To send all membership renewals by December 1 of each year.
- F. To maintain the financial records of the Association on a fiscal year from May 1 through April 30, unless otherwise approved by the Board.
- G. To be a standing member of the Finance Committee.
- H. To perform such other duties as applicable to the office as prescribed by the parliamentary authority adopted by the Association.

- Section 5. The District Director
- A. To attend at least two Board meetings per term of office.
 - B. To assist in the management of the Association.
 - C. To report any concerns of the members within their district to the Board.
- Section 6. The Executive Secretary
- A. To prepare for the Board all business that has not been assigned to others.
 - B. To present or have presented at all meetings all reports received from committee chairpersons.
 - C. To recommend plans of work and conduct the general business of the Association under the direction of the Board and the General Membership.
 - D. To be a standing member of the School of Instruction Committee.
 - E. To authorize both active and/or retired membership status.
 - F. To maintain all membership applications.
 - G. To receive the letter of resignation of an Officer or Director and present it at the next Board meeting.
 - H. To send to each Director a current roster of all members within their respective districts no more than thirty days after the third General Membership meeting.
 - I. To maintain and have available at all meetings a current roster which lists only members in good standing by district affiliation.
- Section 7. The Director of Finance
- A. To coordinate the finances of the Association.
 - B. To serve as the chairperson of the Finance Committee.

ARTICLE VI — Committees

- Section 1. The number of committee members, mentioned below, includes the chairperson. Committee chairpersons are appointed by the President, *see previously in the text, Article V, Section 1.B.* Committee members are selected by the committee chairperson as stated hereinafter in this Article or are established within the description of the committee. Committee members that are established by the text are in addition to those members appointed and selected. Committees may include, but not limited to. The following:
- Section 2. An Advertising and Yearbook Committee, com-

Art. VI, continued

Art. VI, continued

- posed of five members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to manage an advertising campaign and publish the yearbook for the Association's School of Instruction.
- Section 3. An Auditing Committee, composed of three members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to audit the Treasurer's account(s) at the close of the calendar year and report at the fourth regular Board meeting. The Treasurer shall not be a member of this committee.
- Section 4. An Awards Committee, composed of five members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to select and present, the awards for Outstanding Service to the Active and Associate members of the Association and the awards to the individuals that are the outstanding plumbing and mechanical apprentice of the year.
- Section 5. A By-laws Committee, composed of five members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to review, discuss, prepare and recommend, to the Association, any necessary changes to the Association's By-laws in order to maintain current directives for the administration of the Association.
- Section 6. A Certification, Education, and Training Committee, composed of five members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to organize educational classes for the School of Instruction.
- Section 7. A Finance Committee, composed of three members, the Treasurer and the Finance Director, shall be appointed within thirty days after the third General membership meeting. It shall be the duty of this committee to prepare a budget for the fiscal year and submit it to the Board for approval at its last scheduled meeting prior to the third General Membership meeting. The committee may submit amendments to the current budget at any regular meeting. The committee shall prepare and submit any other reports as directed by the Board.
- Section 8. A Fuel Gas Code Committee, composed of all Association members willing to participate, the chairperson shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to review, discuss and recommend necessary changes that apply to the Fuel Gas Code.
- Section 9. A Legislative Committee, composed of three members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to attend as many Virginia General Assembly meetings as possible and to be observant of new regulations. This committee will review, discuss and report to the Board of Directors and the General Membership, any legislature or regulations that will directly or indirectly effect the Association or its members.
- Section 10. A Mechanical Code Committee, composed of all Association members willing to participate, the chairperson shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to review, discuss and recommend necessary changes that apply to the Mechanical Code.
- Section 11. A Membership and Website Committee, composed of five members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to keep the website current and updated. The website shall be the source of Association meetings, dates, membership and advertisement applications, Association and public information and other Association information.
- Section 12. A Nominating Committee shall be composed of the five most immediate past presidents of the Association willing to serve in this capacity. The most immediate past president on the committee shall serve as the chairperson. It shall be the duty of this committee to nominate, at the third General Membership meeting, candidates for the offices to be filled. Before the election, additional nominations from the floor shall be permitted.
- Section 13. A Plumbing Code Committee, composed of all Association members willing to participate, the chairperson shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to review, discuss and recommend necessary changes that apply to the Plumbing Code.
- Section 14. A Residential Code Committee, composed of all Association members willing to participate, the chairperson shall be appointed within thirty days after the third General membership meeting. It shall be the duty of this committee to review, discuss and recommend necessary changes that apply to the Residential Code.
- Section 15. A School of Instruction Committee, composed of three members, the Executive Secretary, the chairpersons of the Time and Place Committee and the Certification, Education and Training Committee, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to plan the program for the next Annual School of Instruction.
- Section 16. A Special Committee, composed of five members, shall be appointed for a specific purpose, when necessary. It shall be the duty of this committee to carry out a specified task and present a report to the Board.
- Section 17. A Time and Place Committee, composed of five members, shall be appointed within thirty days after the third General Membership meeting. It shall be the duty of this committee to review the date and location of all General Membership meetings and submit a report and recommendation to the General membership for approval at least twelve months prior to such meeting.
- Section 18. Committees shall be under the authority and direction of the Board, unless specifically provided for herein.
- Section 19. Duties of the Committee Chairperson
A. To submit, in writing, all committee findings and recommendations to the Executive Secretary at least ten days prior to any meeting, except special meetings, unless specified on the agenda. If the chairperson or members of the committee is in attendance at the meeting, such written report shall not be required.
B. To select all committee members not specifically provided for in other sections of these by-

laws and report their names to the Executive Secretary within thirty days of their appointment.

ARTICLE VII — Voting

- Section 1. Only Active, Charter and Lifetime Active members who are in good standing shall have the right to vote.
- Section 2. All members shall have the right to make and second motions.

ARTICLE VIII — Meetings

- Section 1. Three General Membership meetings shall be held each year. The first shall take place approximately fourteen days prior to or fourteen days after August 1. The second shall take place approximately thirty days prior to or thirty days after November 15. The third shall take place approximately fourteen days prior to or fourteen days after April 1, during the Annual School of Instruction.
- Section 2. Four Board meetings shall be held each year at a time and location determined by the President. The first shall be held at least sixty days prior to the first General Membership meeting. The second shall be held at least sixty days prior to the second General Membership meeting. The third on the day of the second General Membership meeting and the fourth at least thirty days prior to the third General Membership meeting. A quorum shall consist of at least seven Board members. Action taken by less than seven Board members shall be null and void unless confirmed by a letter ballot from those members who were absent.
- Section 3. Special Board meetings may be called by the President. Such meetings may also be called by the Board with the written request of at least seven members. The purpose of the meeting shall be stated in the call. The location of the meeting shall be determined by the President. At least ten days notice shall be given. A quorum shall consist of at least seven Board members. Action taken by less than seven Board members shall be null and void unless confirmed by a letter ballot from those members who were absent.

ARTICLE IX — Dues

- Section 1. Annual Dues
- A. Active membership shall be thirty dollars per calendar year.
 - B. Associate membership shall be thirty-five dollars per calendar year except those who have paid for five consecutive years shall only be required to pay thirty dollars per consecutive calendar year thereafter.
 - C. Retired membership shall be ten dollars per calendar year.
 - D. Charter and Life membership shall be absorbed by the Association.
- Section 2. No members shall be in good standing whose dues are not paid by March 1 of each year and shall not be maintained on the membership roster if not paid by December 31.
- Section 3. Dues may only be revised at General Membership meetings.

ARTICLE X — Amendments

- Section 1. The Constitution and By-Laws may be amended by two-thirds vote at any General Membership meeting, provided that the proposed amendment has been submitted in writing at a previous General Membership meeting.

ARTICLE XI — Parliamentary Authority

- Section 1. The current edition of Robert's Rules of Order Newly Revised shall be the Association's final authority on all questions of procedure and parliamentary law not covered by the Constitution and By-Laws nor any special rules of order the Association may adopt.

Virginia Plumbing & Mechanical Inspectors Association

CODE OF ETHICS

We the members of Virginia Plumbing and Mechanical Inspectors Association recognize that our work has a direct and vital impact on the quality of life for all people in the Commonwealth of Virginia, and we are dedicated to the highest standards of professionalism, integrity and competence. We therefore pledge to maintain and advance these ethical principles:

- Place the public safety and health above all other interests and recognize that the primary function of government is to service the best interests of all people.
- Consider my profession a distinct opportunity to serve society.
- Demonstrate integrity, honesty and fairness in the discharge of my duties by striving to achieve excellence in all matters of ethical conduct.
- Treat all persons courteously, equally and fairly.
- Conduct myself at all times in such a manner as to create and maintain respect for the Virginia Plumbing and Mechanical Inspectors Association and the industry it represents.
- Refuse to leverage my position to secure advantage of favor for myself, my family or my friends.
- Neither accept nor offer, any gift, favor or service that might tend to influence me in the discharge of my professional duties.
- Refrain from representing private interests in any business or technical affairs of this Association
- Use every opportunity to improve public understanding of the Virginia Plumbing and Mechanical Inspectors Association and its important contribution to the Commonwealth of Virginia.
- Maintain loyalty to the Virginia Plumbing and Mechanical Inspectors Association, and pursue its objectives in ways that are consistent with the public interest.

Foundation's Vision Statement

VPMIA members are committed to providing code development leadership and continuous training that results in uniform application of the codes. We look for opportunities to partner with all who are impacted and strive to develop and deliver codes and standards that result in health, safety, and welfare protection for the public.

Mission

VPMIA is an association of code professionals dedicated to promotion of uniform enforcement and development of the codes throughout the Commonwealth to assure the health, safety, and welfare of its citizens and any one who may live, work, or visit the state of Virginia. The pursuit of this endeavor is achieved through close, open, and equal working relationships with design professionals, builders, contractors, material manufacturer's and others involved in the construction industry. VPMIA supports the ICC, its goals and mission.

Strategic Plan Mission

VPMIA's strategic plan is to advance our mission through training in order to promote better understanding of the benefits and efficiency of using model codes. The association promotes teamwork, while embracing fairness and respect to all involved parties, always maintaining open communications in every aspect to those who participate in the process.

GOAL # 1**— Enhance and increase communications of VPMIA with the public (Communications)***Initiative action:*

- Actively promote a positive image of code enforcement's role in the community.
- Advertisements in trade, industry, state DHCD, and community publications.
- Commitment to code development to achieve the superior level of health, safety, and welfare for our citizens.

GOAL # 2**— Increase and expand education (Training — Communications)***Initiative action:*

- Encourage increased participation from all interested parties who interact with any and all aspects of code enforcement.
- Increase awareness of the educational benefits of the association.
- Promote credentialing programs provided by the state DHCD.

GOAL # 3**— Uphold the highest levels of professionalism (Leadership — Professionalism)***Initiative action:*

- Instill and promote leadership values.
- Always display integrity.
- Adherence to code of ethics.
- Share knowledge at all levels.
- Maintain and promote certifications.
- Respect others.

GOAL # 4**— Promote relationships with industry and related professional organizations (Cooperation)***Initiative action:*

- Participate in the code development process.
- Encourage cooperative working relationships with construction-industry professionals.
- Become involved as active or associate members to other professional organizations such as VBCOA, ICC, VCCCA, IAEL, and PMPV.
- Solicit speakers and provide speakers for these organizations to enhance communication.
- Continue to actively participate in DHCD towards uniform application and development of the model building codes and standards.

GOAL # 5**— Broaden and expand VPMIA Membership (Membership)***Initiative action:*

- Develop information package of the organization benefits.
- Provide more member services.
- Develop a more wide spread advertisement program for membership, including associate members.

GOAL # 6**— Continue leadership and participation in code development process (Leadership — Code Development)***Initiative action:*

- Enhance and develop strategies for participation in International Code Council Code developmental process.
- Encourage participation on state and national committees.
- Provide financial support towards member participation in these activities.

GOAL # 7**— Promote the adoption of the International Code Council family of model codes (Communications — Training)***Initiative action:*

- Provide analysis and impact of benefits for industry, where necessary.
- Provide training for code enforcement officials and industry.
- Interact with DHCD to provide uniform enforcement of model codes.

GOAL # 8**— Ensuring financial viability of VPMIA***Initiative action:*

- Align financial resources to organizational outcomes.
- Achieve goal objectives.
- Operate within budgeted plan.

Making History

The VPMA, VBCOA, VFPA Joint Conference

On October 21, 2005 the Virginia Plumbing and Mechanical Inspectors Association together with the Virginia Building Officials Association and the Virginia Fire Prevention Association held the first ever Joint Code Conference in Hampton, Virginia at Hampton's brand new Conference Center. The conference was a four day event that offered training in all areas of code enforcement. The Conference gave the participants an opportunity to network with each other, develop code knowledge, and earn valued continuing education credits towards certification maintenance. The training, which included everything

from Legal Aspects of Code Enforcement to Kitchen Exhaust Installations, was the center piece of the conference utilizing top trainers from around the country.

ICC CEO, James Lee Witt, former

FEMA Director and ICC President Henry L. Green were on hand to install Officers and speak to the members. They spoke about the International Code Council Foundation that is helping the Gulf Region Code Officials that were devastated by the hurricanes last summer, get back on their feet. They also spoke regarding ICC's efforts to provide uniform codes for users nationwide. Mr. Witt is spearheading an effort called

HEROS. It helps wounded war veterans retrofit their homes for handicapped accessibility as they return from war with devastating handicaps.

A table-top show, with manufacturers of building materials, computer systems and organizations such as ICC and UL were on hand to discuss their products and services. Several of the table-top vendors also taught classes in their specialized areas. The ICC delivered a whole day class on the legal aspects of code enforcement which generated many questions from the class participants.

The social events were a big hit and well attended. On Saturday evening par-

Participants were treated to a buffet dinner and casino night at the Air and Space Museum, in Hampton. Everyone had

a great time at the casino night and enjoyed the flight simulators. The next morning you had your choice of a golf outing or a fishing trip on the Chesapeake Bay. Although there weren't any hole in ones and very few fish were caught, everyone had a good time and took advantage of the opportunity to network.

Plans are being made for another joint conference in the future so be prepared to find yourself among the finest code enforcement officials in the state when we do it again in two or three years.

VPMA's most recent progress and achievements are detailed in the President's message, page 4.

June Seay
President, VPMIA Ladies Auxiliary

&
Virginia Beach
Convention & Visitors Bureau

The VPMIA Ladies Auxiliary is an ancillary group to VPMIA. Its purpose is to act as an assistant and a support to the Association's endeavors to provide code development leadership and continuous training that results in uniform application of the codes.

This group is also about having fun along the way.

Come and join us in Virginia Beach. We will conduct our annual luncheon/business meeting and get to know each other better during some scheduled events: exploring items of local interest, some friendly games of Bingo and a craft activity. These informal activities are scheduled to take place while the VPMIA meetings and School of Instruction are in session—leaving time to socialize with the full VPMIA group during lunches and dinners.

OPEN TO ALL SPOUSES ATTENDING THE CONFERENCE

*Why not become an Auxiliary member?
Annual Dues \$10 — payable at registration*

2007 Program Schedule

Thursday, April 5

1:00 - 5:00	REGISTRATION (Ladies Auxiliary)	Upper Main Lobby
5:00 - 6:00	PRESIDENT'S WELCOME	TBA

More than 40 years dedication to the code enforcement community.

2005 ICC Merit Award Recipient for the Chapter of the Year Contest.

Connect with VPMIA today.

VPMIA is an association of code professionals dedicated to promotion of uniform enforcement and development of the codes throughout the Commonwealth to assure the health, safety, and welfare of its citizens and any one who may live, work, or visit the state of Virginia.

The pursuit of this endeavor is achieved through close, open, and equal working relationships with design professionals, builders, contractors, material manufacturer's and others involved in the construction industry. VPMIA supports the ICC, its goals and mission.

Virginia Plumbing and Mechanical Inspectors Association
www.vpmia.org

“ I had my dream kitchen completed in March 2006. After many years of personal designing in my mind what I wanted in a kitchen, and many months of planning and picking out the appliances, floor, counters, cabinets and other necessities I have the kitchen of my dreams. I walk in to this area every day and just fall in love with it again and again. I am very satisfied with the workmanship of ACME and the service that I received from the the owner, Neale Hergenrather. Thanks for the time you spent.”

Laurie Strickland, Springfield, VA

a Residential Design-Build firm, that specialize in constructing Custom Homes, Additions to existing Homes and Custom Kitchens.

Services the entire Northern Virginia area.
